# Spotlight on Teaching and Learning

## Panel – Adapting experiential learning in times of uncertainty

Challenges, strategies, and recommendations moving forward

In this document, we have gathered information (resources, links, etc.) relating to the theme of the panel.

Enjoy!

### **Career and experiential learning – uOttawa**

*Take advantage of all the opportunities available to learn by doing and acquire the skills you need to achieve your personal and professional goals. Add tools to your toolbox and get set to change the world!*
